We are pleased to offer you a Certificate of Authenticity for your Porsche. This unique document includes your vehicle's original factory-installed options, exterior and interior color, engine type and transmission type, production completion date (Birth Date) and manufacturer's suggested retail price (MSRP), dependent upon availability of information. Only vehicles produced for sale in the US or Canada are eligible for North American certification.

This Certificate can prove to be invaluable for restoration, resale and for displaying your Porsche at official Porsche concours events, such as the annual Porsche Club Parade. Certificates do not include production number, selling dealer, previous owners, warranty history, standard equipment or technical information.

Based on the fee chart below, you can order a Certificate suitable for framing. For 1993 or older models, if you provide a legible copy of the original Monroney Label (Window Sticker), you will save \$10.00 off the prices listed. **Porsche Club members will receive an additional \$10.00 discount. Please allow 4 – 6 weeks for delivery.**
